Mystery of the Fire Dragon Free 11" x 14" Print Offer!

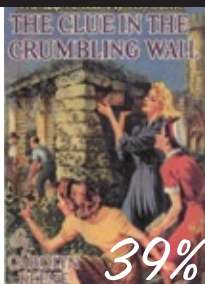

From now through August 31, place an order of three jackets or more from Literarture®'s comprehensive Nancy Drew® Dust Jacket Collection at the regular price of \$9.99 each and receive a rare and exquisite 11" x 13.75" color print of Rudy Nappi's 1961 cover painting for *The Mystery of the Fire Dragon*.

One of the most beautiful covers of the entire series, Rudy Nappi's exotic art perfectly captures the jet set glamour of the time. Briefly available as a dust jacket in 1961, our print is taken from the original painting, courtesy of the New York Public Library, and features much richer detail than original jackets.

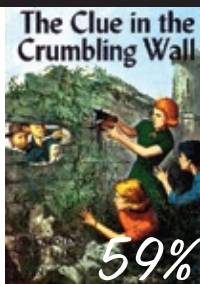

Buy three, get a Fire Dragon print free!

Beautifully restored vintage art prints available in individually numbered limited editions of 200 each.

August's Crumbling Wall Poll

Last month's poll winner, Rudy Nappi's 1962 mid-century revision of *The Clue of the Tapping Heels*, will make its initial dust jacket debut in the fall. For August, visitors to the www.literarture.net site are currently recommending Rudy Nappi's similarly tasteful 1962 update of Russell Tandy's 1945 cover for *The Clue in the Crumbling Wall* be restored for the Nancy Drew® Dust Jacket Collection. Vote today!

Literarture® wishes you and yours a happy and healthy summer season!
