## More Classic Nancy Drew Art To Premiere in 2009!

As Literature® continues to restore the best of the classic mid-century artwork for the Nancy Drew® series of mystery stories, look for additional titles, including *The Clue of the Dancing Puppet*, *The Clue in the Old Stagecoach* and many others to debut beginning this spring.

Licensed by Simon and Schuster for the first time, Literature® is offering a complete dust jacket collection of some of the most evocative artwork by Russell Tandy, Bill Gillies and Rudy Nappi for all 56 titles of the original Nancy Drew® series. Every jacket has been carefully recreated

utilizing the best vintage elements, including the original paintings, and freshly titled layouts with an eye for improved consistency. In addition, the covers of later volumes never released with dust jackets are being adapted to the format to finally accommodate a complete series feel. The jackets' final trim size is 7.6" x 18.5" on a paper of comparable weight to the original dust jackets, but improved durability, enhanced by a protective aqueous coating. Titles are available in individually numbered offset prints of 200 and feature restored vintage advertising. Products available only while supplies last.

Beautifully restored vintage art prints available in individually numbered limited editions of 200 each.
